TO: Boston Redevelopment Authority

On May 4, 1967 the Authority approved the Summer Neighborhood Service Program for the Washington Park Neighborhood Service Program. This approval contained budget appropriations to fund the necessary supervisory staffs and workers to achieve the objectives of this worthy project.

On June 9, 1967 the Authority approved the personnel roster for the Summer Neighborhood Service Program. These additions are needed to bring the personnel up to allowance. The additions to the personnel roster are contained in the attachments.

Since Crew Supervisors start on June 19, 1967, it is necessary that Attachment I be made retroactive to ensure that the supervisors are paid for the period that they have already worked.
